For all kind people around the world

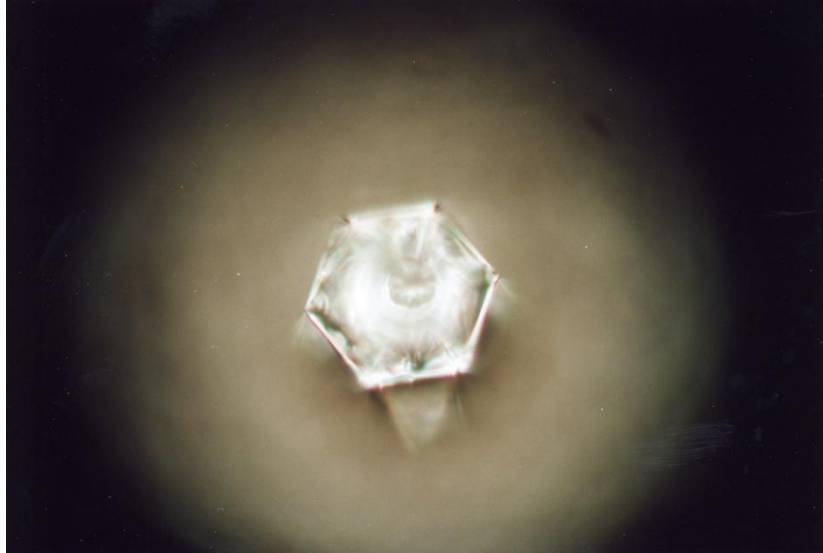

Firstly, we thank you deeply for sending your kind prayers and warm wishes with positive energy to Japan and its people. As you know, everyone in Japan is going through such a difficult time, and we are trying the best we can to overcome this catastrophe. Though the truth is that we are so shocked and so very sorry for the victims and their families and friends.

Masaru Emoto and his staff would like to help them in the best manner we can. We will send water of Love and Thanks – water that will improve immunity - to people who live in the areas of nuclear plants and where people are suffering after earthquakes and tsunami as well as other necessary things for them.

Please see the crystal photos below:

-- *This crystal photo was taken three days after the nuclear accident in Tokaimura in September, 1999. The water was taken from a well of 400 meters away from the accident site. You can see the obvious effect of the radiation here. –*

-- This was taken after Immunity Hado (Hado of Love and Gratitude) was transmitted to the water of the accident site. --

We would like to ask you PLEASE help us and donate any amount of money you can by Pay Pal or by arranging the money transfer to the bank account of the EMOTO PEACE PROJECT as stated below. We would like to bring the love-money that we collect from each of you to the disaster areas as well as using the money to donate water to people. We appreciate you very much for your utmost thoughtfulness. Thank you very much.

Donation by Pay Pal: info@emotoproject.org

Bank Information:

EMOTO PEACE PROJECT

Payee: EMOTO Project

Bank: The Bank of Tokyo-Mitsubishi UFJ, Ltd.

Branch: Asakusabashi

Account number: 0941063

Bank Code: 0005

Swift Code: BOTKJPJT

Again and again, thank you very much for your kindest support. We are very sorry that we will never be able to thank you enough, but we will always remember your warmth and will appreciate you more than ever and forever.

With much love and gratitude,

Masaru Emoto

President

EMOTO PEACE PROJECT
